## LOCATION

We are located in the historic “Bottomley House” – a large Victorian home with a round front porch on the front at **1118 College Drive**, and we are on the corner of College Drive and University Drive, across the street from St. Andrew’s College and the Royal University Hospital.

## PARKING (see map)

8 client parking stalls are available behind the office, on a first come, first served basis. More information on street parking is available on our website, by clicking the Parking link on the home page.

## INTAKE FORM / PAPERWORK

An intake form is available on our website, under Resources or can be completed in-office by arriving 5-10 minutes early.

## CANCELLATION POLICY

24 hours notice of cancellation is required. Voicemail is available 24 hours. Less than 24 hours notice may result in a Missed Appointment fee charged directly to you.

## THERAPIST CREDENTIALS

Therapists have varying credentials. At PPC we have Registered Psychologists, Registered Social Workers and Certified Counsellors. If you are sending a receipt to an insurance company you may want to ensure the therapist you are booked with will meet the criteria of your policy. Neither PPC nor your therapist can be responsible for denied claims.

## HOURLY RATES & PAYMENT

Hourly rates range between \$115 and \$130 per hour. Most therapists work on a 50-60 minute hour. There is no GST or additional tax. Payment is made before or after each session. Invoicing can be arranged by special, prior understanding only. If a third party (other than an Employee Assistance Program) will be covering the cost of your session, PPC requires authorization to release session dates/length. See first page of Intake Form.

## MINOR CHILDREN

If the child being seen is under 15 years of age and the parents share custody, signatures on a Joint Custody Consent Form are required before the child can be seen for a counselling session. This form is available on our website, under Resources.
